

COUPON MAMA is coming to Neely's Creek A.R.P. Church !!

Travise Smith known as Coupon Mama to most will be coming to teach you how to save over **50%** on everything from groceries to medicines, but the best thing is she teaches you how to do it with the heart of a servant and a Bible foundation. You will learn to shop for your family, save money and share your overflow with others. This coupon ministry has one mission and that is to teach you to be a better helpmate, nurturer and steward over the finances God has entrusted you to handle. We look forward to seeing you at class and know that if you work the techniques she teaches this class will be wallet changing!
